

**Lucid Point Consult**

# Company Profile

# Who We Are

- ◆ In an era of unprecedented change, businesses need more than advisors, they need architects of sustainable success.
  - ◆ Lucid Point Consult stands at the intersection of deep financial expertise and transformative business strategy. We are Nigeria's premier financial and management consulting firm, trusted by ambitious organizations to navigate complexity, unlock hidden value, and achieve extraordinary outcomes.
-

# Vision

To redefine professional services in Nigeria, setting new standards for technical excellence, strategic insight, and client value creation. We aspire to be the firm where Nigeria's most ambitious organizations turn when the stakes are highest.

# Mission

Architecting financial excellence through intelligence, integrity, and impact. We partner with visionary leaders to transform challenges into competitive advantages, delivering solutions that do not just solve today's problems but position our clients for tomorrow's opportunities.

# Our Values

## Uncompromising Integrity

In professional services, reputation is currency. We operate with absolute transparency, intellectual honesty, and ethical rigor, because the trust our clients place in us is a responsibility we never take lightly. Our word is our bond, and our recommendations are always untainted by conflicts of interest.

## Relentless Pursuit of Excellence

Good enough never is. We approach every engagement, whether a routine compliance matter or a complex transformation, with meticulous attention to detail and a commitment to exceptional delivery. Our quality standards do not bend, they define us.

## Collaborative Partnership

The best solutions emerge from true partnership, not transactional relationships. We listen deeply, challenge constructively, and work alongside our clients as extensions of their teams. Your success is our scoreboard, and we are invested in the outcome as much as you are.

## Intelligent Innovation

In a rapidly evolving business landscape, yesterday's solutions will not solve tomorrow's challenges. We continuously question assumptions, embrace emerging methodologies, and leverage technology to deliver smarter, faster, and more impactful solutions. Innovation is not a buzzword here, It is how we work.

## Purpose Beyond Profit

Great firms are measured not just by their financial performance but by their broader impact. We are committed to building Nigeria's professional capacity, supporting ethical business practices, and contributing to an ecosystem where businesses do not just survive, but flourish and create lasting value for all stakeholders.

# Our Service Portfolio

## Tax Advisory & Compliance

**Beyond compliance, driving value through tax strategy**

Tax is more than compliance, it is strategic capital allocation. Our tax advisory practice combines deep technical expertise with creative structuring to optimise your tax position whilst maintaining bullet-proof compliance.

### What we offer:

- Strategic Tax Advisory: Proactive guidance that aligns tax strategy with long-term business goals.
- Compliance Excellence: Flawless execution of corporate and personal tax obligations.
- Dispute Resolution: Expert representation with tax authorities.
- Tax Due Diligence: Comprehensive risk assessment for transactions and restructurings

## Audit & Assurance

**Building confidence through independent, insightful assurance**

In an environment of increasing scrutiny, stakeholders demand more than check-box compliance. Our audit practice delivers rigorous, value-added assurance that strengthens governance, identifies improvement opportunities, and builds investor confidence.

### What we offer:

- Statutory & Regulatory Audits: Meeting all legal requirements with technical precision.
- Internal Audit Services: Strengthening Internal controls and operational effectiveness.
- Due Diligence: Deep-dive assessments.
- Forensic Investigations: Uncovering irregularities.
- Risk-Based Assurance: Focused testing on highest-impact areas.

## Professional Training

**Building capability that compounds competitive advantage**

Your organization's performance ceiling is determined by your team's capability floor. Our professional training practice develops the technical excellence and strategic thinking that transform good professionals into exceptional ones.

### What we offer:

- Technical Skills Development: Specialized training in accounting, tax, audit, and financial analysis, keeping teams current with evolving methodologies, regulations and accounting standards etc.
- Bespoke Corporate Training Programs: Customized capability-building initiatives designed around your organization's specific skill gaps and strategic priorities, delivered with best in-class pedagogies.

# Our Service Portfolio

## Accounting Services

**Accounting that works, so you can lead.**

We deliver seamless, high-integrity accounting solutions that free leadership to focus on strategy. Our team combines technical expertise with operational agility to ensure accuracy, compliance, and insight, turning financial operations into a strategic advantage.

### What we offer:

- Comprehensive Bookkeeping: Accurate, real-time transaction management supported by strong internal controls.
- Financial Reporting: IFRS-compliant statements and reports that drive clarity and confidence.
- Management Accounting: Accounting that facilitates strategic outcomes.
- Payroll Excellence: Compliant, efficient payroll administration.

## Financial Advisory & Risk Management

**Strategic capital deployment and intelligent risk navigation**

In an environment of uncertainty and opportunity, capital allocation decisions and risk management separate thriving businesses from struggling ones. Our financial advisory practice serves as your strategic partner in deploying resources intelligently and protecting value systematically.

### What we offer:

- Investment Advisory: Portfolio strategy and asset allocation aligned with your objectives and risk tolerance
- Corporate Finance: Capital raising, deal structuring, and transaction support across debt and equity
- Risk Assessment & Mitigation: Comprehensive identification and management of financial, operational and strategic risks.

## Business Advisory

**Think strategically. Execute with precision.**

Markets reward those who see around corners. Our business advisory practice helps leaders make bold decisions backed by rigorous analysis, transforming strategic ambition into operational reality.

### What we offer:

- Growth Strategy: Market entry, expansion, and competitive positioning
- Operational Transformation: Process optimization and performance improvement
- Business Restructuring: Turnarounds and organizational redesign
- Feasibility & Valuations: Investment-grade analysis for major decisions

VP Professional Services

**Idris Adeniyi M.Phil (Mgt), FCA**  
VP Financial Advisory  
& Risk Management

# **Idayat Funmilayo FCA, FCTI**

## Managing Partner

Idayat Funmilayo is a seasoned financial strategist and public finance expert with extensive experience in accounting, taxation, and public sector governance. A Fellow of the Institute of Chartered Accountants of Nigeria (ICAN) and the Chartered Institute of Taxation Nigeria (CITN) and a certified International Public Sector Accounting Standards (IPSAS) specialist, she is widely recognized for her leadership in tax administration and financial management reforms.

At the Lagos State Internal Revenue Service (LIRS), she led transformative initiatives that significantly enhanced revenue performance and strengthened compliance systems. As Director of Tax Audit, she managed large teams, implemented reforms, and expanded the taxpayer base through strategic innovations and process improvement. She later served as Director of Finance and Accounts across various Lagos State Ministries and Agencies, overseeing financial strategy, reporting, and risk management with a strong commitment to transparency and accountability.

She serves on professional boards including ICAN's Faculty of Insolvency and Corporate Re-engineering, Society of Women Accountants Nigeria (SWAN), and Society of Women in Taxation (SWAT), continuing to mentor and empower women in finance.

Funmilayo exemplifies excellence in financial governance, combining deep technical expertise with visionary leadership and a passion for capacity development.

# Afolabi Hakeem MSc, ACA, CEP

## Professional Services Lead

Afolabi is an accomplished business strategist who combines Big Four consulting background with practical execution expertise. His experience at KPMG and Ernst & Young, where he delivered complex transformation and advisory projects for major clients including First Bank, Heritage Bank, Shell Petroleum, and Lagos Water Corporation, has honed his ability to translate analytical insight into results-oriented strategies.

Holding an MSc with distinction in Economics from the University of Lagos and a First-Class BSc in Economics from Babcock University, Afolabi brings strong analytical grounding and multidisciplinary perspective to his work. Likewise, he is a Chartered Accountant (ACA) and PRINCE2 Project Management Practitioner.

Distinguished for his ability to bridge strategic vision with operational precision, Afolabi's expertise spans financial analysis, process optimization, project management, and business transformation. His advisory style blends intellectual rigor with pragmatic delivery, while remaining attuned to evolving the landscape of other areas of his expertise, enriching the relevance and impact of his work.

# **Idris Adeniyi M.Phil (Mgt), MFE, FCA, ACS, ACTI, ACSI**

## **Financial Advisory & Risk Management Lead**

Idris is a respected thought leader in Nigeria's capital markets, with a distinguished career spanning investment banking, commercial banking, risk management and financial advisory. With over 17 years of experience structuring transactions, raising capital, and advising on mergers and acquisitions, he has earned a reputation for combining analytical rigor with commercial insight.

His career journey spans expertise in Audit, Commercial Banking, Investment Banking and Financial Advisory. Idris began his career at Polaris Bank, later joining Access Bank Plc where he held senior management roles. He went on to hold senior executive investment roles, including Deputy Head of Investment at Trustfund Pensions and Head of Investment at ABMC Management Consultants, Radix Pension Managers, NUPEMCO, and GTCO Pension Managers.

Holding a Master's degree in Financial Economics from the University of Abuja and a Bsc. in Accounting from the University of Lagos, Idris is a Fellow of the Institute of Chartered Economists of Nigeria, a fellow of the Institute of Chartered Accountants of Nigeria (ICAN), and an associate member of the Chartered Institute of Taxation of Nigeria (CITN), the Chartered Institute of Stockbrokers (CIS), and the Institute of Chartered Securities and Investment (U.K.) (CISI).

A frequent speaker on investment strategy, M&A execution, and market trends, Idris brings deep analytical skill, transformative financial leadership depth, and an extensive network.
